SETTLEMENT AGREEMENT BETWEEN OMSL & JERRY D. MORGAN

Come the Complainant, the Kentucky Office of Mine Safety & Licensing ("OMSL"), and Respondent Jerry D. Morgan ("Morgan"), and hereby state that they have agreed to a settlement of the above-styled disciplinary proceeding, according to the following terms:

In consideration for the final resolution of this action against him,¹ Morgan hereby admits the existence of the unsafe conditions set forth in paragraphs 7 (b) and 7 (n) through (r) of OMSL's Complaint, and agrees to the following:

1. The **PROBATION OF HIS ELECTRICIAN'S CERTIFICATE (# PE-208-03)**
FOR A PERIOD OF ONE YEAR, effective upon the signing of this Settlement Agreement by both parties.

2. During this one-year probationary period, Morgan shall comply with all state and federal mine safety laws and regulations. The willful violation by Morgan of any of said laws or

regulations may result in OMSL filing a motion with the Mine Safety Review Commission to revoke his electrician's certificate for the remainder of the probationary period.²

3. Within 45 days of the effective date of this Settlement Agreement, Morgan must take **FOUR (4) - EIGHT (8) HOURS OF ELECTRICAL TRAINING FROM DAVID JOHNSON, OMSL'S CHIEF ELECTRICAL INSPECTOR,**³ at the Hazard OMSL office.

4. Within 120 days of the effective date of this Settlement Agreement, Morgan must **RE-TAKE AND PASS THE KENTUCKY ELECTRICAL EXAMINATION.** Said examination will be administered by Chief Inspector Johnson at the Hazard OMSL office. If Morgan does not pass the electrical examination within the 120-day period, his electrician's certificate will be automatically suspended until he passes the examination.⁴

5. This Settlement Agreement and any final order issued herein by the Mine Safety Review Commission will be considered by the Commission to constitute a "first offense", as that term is defined at 805 KAR 8:010, Section 1 (5); and any future adjudication against Morgan by the Commission - regarding a separate alleged offense - will be deemed a "subsequent offense" as defined at 805 KAR 8:010, Section 1 (13).

² If the circumstances warranted, OMSL would also retain the right to file a separate action with the Commission seeking other penalties against Morgan for his actions. In either event, Morgan would have the right to a hearing before the Commission on the allegations against him.

³ The length of the electrical training will be determined by Chief Inspector Johnson. Said electrical training is in addition to any annual refresher training or other safety training that Morgan is legally required to take.

⁴ In the event that Morgan's electrician's certificate is suspended, he shall immediately surrender said certificate to Chief Inspector Johnson. If he subsequently passes the examination, his certificate will be immediately returned to him by OMSL.

Morgan understands and agrees that he has had the opportunity to retain an attorney to represent him in this matter, but that he has chosen to represent himself. Morgan further states that he has carefully read this Settlement Agreement, that he has carefully considered the Agreement prior to signing it, and that he understands and agrees to its terms and provisions.

OMSL and Morgan acknowledge and agree that there are no other promises, inducements, representations, or agreements in connection with this Settlement Agreement other than those expressly set forth in writing herein.
